### *A Word from President Clark*

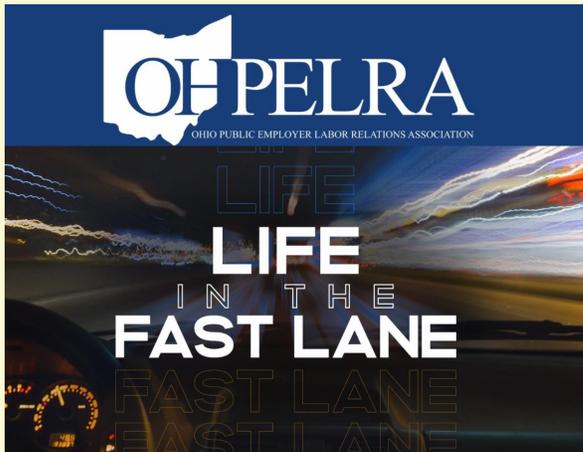

Fellow OHPELRA Members –

It is my great honor and privilege to serve as your Association President this year, and I welcome members, new and renewed, to the finest labor relations association in the state. Thank you all for this opportunity! Emerging from the global pandemic, where we were ALL building the plane while flying it, I wanted to take just a moment to offer a word of thanks to our awesome members, sponsors, partners, and friends who saw us through the past few years, as well as assure our membership of our continued commitment to offer the very best training and networking opportunities that we can in 2023 and beyond.
